- **HOW DO I GET QUALIFIED TO RECEIVE PAYMENTS?**

You will earn finder's fees up to the level you joined at. For example, if you join at the GOLD Level, your cost is \$1,000. This qualifies you up to \$600 for direct sales and up to \$200 for residual sales for life. Your direct sale -Box#1- cap is \$600 per sale. You qualify to receive finder's fess for Bronze = \$200, Silver = \$300 and Gold Level = \$600. So, you see, the higher level of entry will determine your finder's fee cash payments. You can upgrade at any time, More on this to follow...

- **HOW DO I RECEIVE AUTOMATIC "RESIDUAL" CASH WITH SUPER 12 CLUB?**

The overrides- "built-in component" will ensure that when anyone under you gets a sale at a higher LEVEL than they are Qualified, you automatically receive the difference in the finder's fee payment. For example, you are a Qualified LEVEL 5 Diamond Affiliate/Member, which means you receive up to \$3,000 from direct-Box#1 sales and up to- \$1,000 from residual-Box#2 sales. One of your customers, John, is only a Qualified Level 3 Gold Affiliate/Member, which means John receives up to \$600 for direct sales and up to \$200 for residual sales. John gets a Level 5 sale. Well, because John is only qualified to receive up to Level 3 sale payments, you get the \$2,400 difference. John now regrets that he missed out on that \$2,400, because he had not upgraded to that LEVEL. So, John immediately upgrades to LEVEL 5 Diamond to stop this from happening again. This means even more CASH profits in your hands because John SENDS YOU \$2,400 CASH when he upgrades to Level 5 Diamond!

- **I was asked the following question recently, Please Note- The Question and My Answer.**

Does the Admin advise a Member to Upgrade- if someone wants to come in and join at a higher level? I have heard that the program Owner/Admin- Gabe, is very legit and a man of highest integrity and really wants everybody to WIN. That is a very common question, and it is a great question. Your answer is -YES- We will always advise a member as soon as we are notified that a higher level sale is coming their way. We will give the member the opportunity to upgrade and catch-up, as long as it doesn't delay the new customer's ability to join our club. So, this must be done quickly as all new members will want to start immediately, We will not delay entry to a new member. We must be fair and equal to all new and existing members at all times. Usually, the new member/customer will contact you first to let you know they are coming in and the level that they are joining at, you can then contact the Admin- directly to upgrade. The UPGRADE Component will ensure that whenever all of your "Personal Sales" upgrades, you get the difference.

2. SUPER12 CLUB –FAQ – CONT.

This applies to Upgrades. So, when someone under you upgrades from Level 3 to Level 5, YOU IMMEDIATELY GET THE DIFFERENCE- IN THIS CASE, \$2,400. PLEASE NOTE: You need to be qualified at the Level your customers are upgrading to. Otherwise, it “ROLLS UP” to your Sponsor or the NEXT Qualified person in “YOUR” UPLINE. So, the higher Your Qualified Level, the more CASH Money you will be receiving on a daily basis. This is one of the benefits of being a Qualified Level 6 VIP-Elite Affiliate/Member since you will NEVER MISS OUT on any finder’s fee CASH payments and you will always receive Override-ROLL-UPS - CASH FINDER’S FEE Payments from ALL Levels.

• I CAN’T AFFORD MORE THAN LEVEL 1 OR 2; CAN I STILL MAKE MONEY?

As you make the most money being qualified at the highest level, it is understandable that everyone cannot afford to be a VIP-Elite Affiliate/Member right away. But regardless at what Level you start at, the important thing is to START. You can still receive a sizable daily cash income. Of course, the higher the Level you start at, the sooner you will begin to make upfront cash, finder’s fees payments and Lifelong Residual Income. Remember, the amount of cash you receive on each of the sales we help you close depends on the Level you’re currently at. Whenever your customers join at a lower Level or at the same Level that you’re currently at, you will receive the finder’s fee payment that your current Level pays. However, whenever your customers join at a higher Level than yours, The difference in finder’s fee payment will go to your Sponsor or the next qualified person in your direct UPLINE. To recap, you will only be eligible to receive direct-sale payments in accordance to the Level you are at. This is why it is extremely advantageous when you are at one of the higher Levels - 4, 5 and 6. Again, not everyone can afford to start at Level 4, 5 or 6, but don’t let that stop you! The important thing is that you get started! Join at the Level that you are comfortable with, with the knowledge that you will still be receiving finder’s fee cash payments for every sale we help you close on your current Level. You can always upgrade once your cash starts rolling in, and that can happen very fast. In a short time, you can be qualified at the VIP-Elite Level 6, which means you will never miss out on any finder’s fee cash payments and will always receive “Override and Upgrade” CASH Payments from multiple Levels, over and over! And the entire Bonus Benefits that come with your VIP-Elite Level 6 Affiliate-Membership!!
